CULTURE AND EDUCATIONAL PROGRAMME FOR PARTICIPANTS OF THE SECOND INTERNATIONAL RESEARCH CONFERENCE ON THE HISTORY OF ARMS AND ARMOR
(May, 19–22, 2016, Kyiv, Ukraine)

After the Conference, from 19th to the 22nd of May, 2016, every participant may attend an extensive culture and educational programme, specially prepared for researchers of the history of arms and armor. It will start in Kyiv — a city with over 1,500 years of history and a rich historical heritage.

The Conference will held in the building where the National Museum of Military History of Ukraine is situated. Every participant will take guided tour through a rich collection of arms and armor from the Scythian period to the present days.

Another large exhibition named «The History of Sword» of the best examples of Medieval cold steel from the leading Ukrainian private collection of Evgeny Gredunov will be open for visiting as the Conference start.

The largest Ukrainian museums with great collections of ancient arms and armor will be ready for meeting and guiding visitors. Participants will visit the National Museum of History of Ukraine, observing a vast collection of arms and armor from the Stone Age till the 20 century. It is most known with its Medieval and Modern Times historical weapons.
Second day participants will stay in Chernihiv that has been one of the major centers of political, economic, social and cultural life of Ukraine, throughout it 1,000 years of history. Visitors will explore the great collection of Chernihiv Regional Historical Museum – one of the best exhibition of Early Modern Times historical weapons in Ukraine.

Participant will also visit another great private exhibition from the well-known Feldman Family Museum that will open that days in Chernihiv.

The last two days participants will stay in Lviv Historical Museum, exploring it world-famous collection of Medieval and Modern Times arms and armor.
